Instructor: GAIL SIBLEY

Date: THURSDAY, JUNE 1, 2023

Time: 11:30 - 1:30

Location: STUDIO D

Two-Hour Demo: COLOUR STUDIES

Making small colour studies can expand the possibilities for a painting, often in surprising ways. Working from a thumbnail in three values, I'll show you how I explore and play with various colour options. Sometimes amazing things can happen when you surrender to this process. Come see what I mean!
